Says Eighth is with Wilson

A dispatch from Washington in this
week said, John B. Thompson, of Har-
rodsburg, who arrived here today, said
that the people of the Eighth Kentucky
district are "with the President on the
repeal of canal tolls and everything
else." It is from this district that tele-
grams have been pouring into the White
House endorsing the Administration
on repeal. "I have been in close touch
with the sentiment of the district," said
Col. Thompson, "and it is overwhelm-
ingly against the ship subsidy provided
in tolls exemption."

HEED THE WARNING

Many Stanford People Have Done So.
When the kidneys are weak they

give unmistakable warnings that should
not be ignored. By examining the ur-
ine and treating the kidneys upon the
first sign of disorder, many days of
suffering may be saved. Weak kid-
neys usually expel a dark, ill-smelling
urine, full of "brick dust" sediment
and painful in passage. Sluggish kid-
neys often cause a dull pain in the
small of the back, headaches, dizzy
spells, tired languid feelings and fre-
quent rheumatic twinges.

Doan's Kidney Pills are for the kid-
neys only. They help weak kidneys to
rid the blood of uric poison. There
is no better recommended remedy.

Read the statement that follows:
Mrs. Rose Lunsford, Rowland, Ky.,
says: "I had kidney trouble and the
kidney action was irregular. My back
pained me and my kidneys were sore.
I used Doan's Kidney Pills and they
soon made me feel fine. My back and
kidneys are now strong. I gladly re-
commend Doan's Kidney Pills to any-
one suffering from Kidney Trouble."

Price 50c. at all dealers. Don't sim-
ply ask for a kidney remedy—get Doan's
Kidney Pills—the fact that Mrs. Luns-
ford had, Foster-McMillan Co., Props.

IMPORTANT TO ALL WOMEN

READERS OF THIS PAPER

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney troubles, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer a great deal with pain in the back, bearing down feelings, headache and loss of ambition. Your health makes you nervous, irritable and may be dependent; it makes you pale.

For hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

A good kidney medicine, possessing such healing and curative value, should be a blessing to thousands of nervous, over-worked women.

Many send for a sample bottle to see what Swamp-Root, the great Kidney, Liver and Bladder Remedy will do for them. Every reader of this paper, who has not already tried it, by enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., may receive sample size bottle by Parcel Post. You can purchase the regular fifty-cent and one-dollar size bottles at all drug stores.

Don't Sleep Well
No Good Reason
Just Can't Sleep

Some people can't sleep. There seems to be no special reason. They have no disease of the nervous system. Digestion is fairly good. Their habits are pretty good. They may smoke a little or drink a little, yet their habits are fair. Still they can't sleep well.

Just a little unbalanced in the nerve centers. That is all. They should have a little "righting up."

A tonic will generally do this. The right sort of a tonic, Peruna is exactly the tonic. Digestion is hurried by Peruna. The stomach is empty and ready to rest for the night. The circulation is equalized. The brain is relieved of all congestions and irritations.

The Peruna acts on every blood vessel in the system. It acts on all of the nerve centers. One begins to sleep and hardly knows why.

Take a teaspoonful to one tablespoonful of Peruna before each meal. Sometimes another tablespoonful at bedtime is necessary, where the sleeplessness is very pronounced.

Just try it, neighbor. You will be glad if you do. One bottle will convince you. Peruna is no sleep medicine. It is not a narcotic. It contains no narcotics. It is nothing of that sort. It is simply a regulative tonic.

Every home should be provided with the last edition of the "I'lls of Life," sent free by the Peruna Co., Columbus, Ohio.

Consumption Takes
350 People Every Day

in the United States and the surprising truth is that most cases are preventable with timely, intelligent treatment.

These appalling facts should warn us that after sickness, colds, over-work or any other drains upon strength, Scott's Emulsion should be promptly and regularly used because tubercular germs thrive only in a weakened system.

The tested and proven value of Scott's Emulsion is recognized by the greatest specialists because its medical nourishment assimilates quickly to build healthy tissue; aids in the development of active, life-sustaining blood corpuscles; strengthens the lungs and builds physical force without reaction. Scott's Emulsion is used in tuberculous camps because of its rare body-building, blood-making properties and because it contains no alcohol or habit-forming drug. Be sure to insist on Scott's.
